- 2 jars of rubber cement
- ruler
- 2 red & 2 green checking pens
- pencils
- colored pencils
- scissors
- 4 highlighters (different colors)

*** We find that wire bound spiral notebooks work best and stand up to classroom use. Perforated paged and bound notebooks fall apart easily.**

We use scrapbook paper for our 6th grade memory books and other projects. It would be useful if you could donate some scrapbook paper or brightly colored copy paper/tag board.

Thank you!
